Spectator parking and trailer drop options for SNC

We constantly get asked where to drop trailers/tow vehicles or where to find spectator parking. We now have two solutions for you.

First, we offer a FREE handicapped accessible [Spectator Shuttle](#) buses to and from offsite parking in Downtown Somerset on Cruise day. Park at Meece Middle School and catch the shuttle running a continuous loop to Somernites Show & Shine all afternoon. Use this lot for trailer drops as well.

Option #2 is a [Monitored Lot](#) approx. 1 block away from the Show & Shine very near the main or west Cruise entrance gate. This lot is also available for spectator parking and trailer drops. Use of this location requires a \$5 donation to the American Cancer Society.
