COOL UPDATES: John Clor, from Ford Performance, will be attending & talk about happenings at Ford. John swears he is bringing down something cool to admire. **Tony Alonso & Scott Hoag** will be attending the show. Scott is the former Ford Motor Company engineer who developed the 03/04 Mach1 & 01 Bullitt Mustangs. They will be at the show to sign, and sell, Tony's new book about the development of the cars. They will sign books, cars and do a walk & talk around the show field. We will also be taking donations for **Sheltering Wings**, a local women's shelter. Items needed include toilet paper, individually wrapped snacks, paper plates, cutlery, & cups. Anything you can do to support the shelter is greatly appreciated.
