NSRA

NATIONAL STREET ROD ASSOCIATION
produces eleven of the world's biggest and
best specialty vehicle events and provides
valuable services to its members. One
benefit is the monthly publication,
"StreetScene" magazine, which is mailed
directly to each member's home.
"StreetScene" provides many services only
available to the members. NSRA has a
network of state representatives, all
enthusiasts, to assist on a local level, and a
unique, highly respected, nationwide
voluntary Vehicle Safety Inspection
program which is applauded by both state
and nation legislators.
